The screenshot shows a window titled "Executions" containing a table of test results. The table has four columns: "Executions", "Coverage", "State", and "Comment". The first row is a summary for the "Test Suite" with 100.00% coverage. The subsequent four rows represent individual test cases with varying coverage and states. The first row is highlighted in red, indicating a failed state. The other three rows are green, indicating passed states. The last row is orange, indicating a state to be checked manually. Below the table is a search bar with a magnifying glass icon and a "no" icon, and a row of action buttons including "X", a red "no" icon, and a menu icon.
